### LIONS CLUB TO GIVE EGG HUNT

The Lions Club takes pleasure in announcing this years city-wide Easter Egg hunt to be held on the green banks of the new lake.

The time is 2:30 o'clock. The day is Sunday, March 28.

All children who are able to tottle around up through the fifth grade of school are invited to come.

Parents see that your children have a way to go to the lake. The Lions Club will furnish all eggs and sincerely wish for all children to be present.

Miss Johnnie Younger is announcing the opening of a confectionery shop next door to Ferguson Theatre. She is from Roscoe, Texas. She has a number of acquaintances in Hamlin, who will assist in introducing her in this city.

MRS. W. R. WEAVER,  
Spur, Texas,

14th DISTRICT PRESIDENT

Mrs. Weaver is serving her first year as President of the 14th District. There are 24 Counties in her district and during this first year she has been in every County and before nearly every local unit. Her presence and messages have been of untold value to the membership. Her work is just starting and the following year she will broaden her scope of work.

### JUNIOR CLASS BOY KILLED BY AUTO

Tragedy lurked on the highway last Thursday night, while the Junior Class of the Hamlin High School was happy and gay in their early spring party at the Smith Park on the Brazos River north of Hamlin.

Roy Allen Wilson, son of Floyd Y. Wilson and grandson of Mr. and Mrs. A. G. Arnett of this city, suffered fatal injuries and passed away at the Hamlin Hospital about 9:00 P. M. that night.

The events leading up to this sad tragedy in our school and community, are that the Junior Class had planned to have their outing about dusk at the river bridge north of town. Roy Allen had been in a happy mood all the week looking to this evening of pleasure with his classmates, had approached the teacher sponsoring the class in the afternoon asking if he could be of any service in getting things ready. Evidently he had been detained by some means and was not present to start off with the class and their several room mothers who accompanied them. The class had made their trip to the Park, enjoyed their games, partaken of their picnic supper and again were in high glee in games, almost ready to start home, when a messenger came and inquired for the teacher in charge to announce that Roy Allen Wilson has been badly hurt up the highway a short distance and that he was not expected to live.

A pall of sorrow at once fell over all and they immediately started for home. Just about a mile or perhaps a little over, they came to the place of the accident.

Evidently the boy had been delayed so long that he thought maybe if he would drive fast he would get to the river in time to enjoy a little of the fun with the others. He was driving his father's 1936 V-8 and had just gone over the last hill or incline on the highway leading down to the bridge. At this point one could have seen auto lights across the bridge, and perhaps Roy did see them, anyway there is a slight curve at the top of this place and the road for a short distance has quite a bit of gravel. Several hundred feet down the hill stood a curve sign.

### NATIONAL and STATE OFFICERS ATTENDING THE P.-T. A. CONF.

MRS. CHARLES E. ROE  
Washington, D. C.,

NATIONAL FIELD SECRETARY

Mrs. Charles E. Roe, National Field Secretary, has been on the staff of the National Congress of Parents and Teachers since 1924, during which time she has given service in every state, has traveled approximately 250,000 miles, and has met every promised engagement.

Hamlin is honored by the presence of Mrs. Roe in our city during this 9th Conference of the 14th District. Mrs. Roe was formerly a teacher in the Colorado Public Schools. She has been for 11 years a special lecturer and instructor in parent-teacher technics in summer schools. Her services are in great demand as a speaker at state and district meetings of parent-teacher groups, and before service clubs, teachers groups, college, and high school assemblies.

For many years, Mrs. Roe was a volunteer worker in parent-teacher associations in Denver, serving as room representative chairman, and president, later becoming field secretary and office secretary for the Colorado Congress of Parents and Teachers.

Mrs. Roe lists as her hobbies, "people, books, home, children, mountain camping, and hiking." During visits to her home in Denver, with her husband, children and grandchildren, she finds opportunity to indulge her love of the outdoors in camping trips to the mountains.

Her keen interest in community affairs has led her to engage in many types of public activity in various clubs, church, school, welfare and social groups, her main interest centering in parent-teacher work. She is a charter member of Pi Pi Kappa.

### HAMLIN SCHOOL TRUSTEE ELECTION

& & &

An election is hereby called for the Hamlin Independent School District to be held in the High School Building in the City of Hamlin, on the first Saturday in April, 1937, the same being the 3rd day of April, 1937, for the purpose of electing two trustees.

Said election will be held under the Texas laws governing such elections. Mr. W. D. Cooper is hereby appointed election judge of said election. All qualified voters of said district shall be entitled to vote.

Witness our hands officially this 23rd day of March, 1937.

Signed: W. C. RUSSELL, Pres.,  
Attested: B. M. Brundage, Sec'y.

Ernest Jenkins, who has been at home recuperating from a bad spell of pneumonia, left Sunday for Lubbock where he will go back to work for Montgomery Ward & Co.

MRS. M. A. TAYLOR  
of Bonham, Texas,  
STATE PRESIDENT P.-T. A.

The 9th Annual Conference of the 14th District Meeting in Hamlin, is pleased to have the presence of the State President of Texas Congress of P.-T. A. this week.

Mrs. Taylor's prominence in Texas is shown by the announcement made by Governor James V. Allred of the formation of the New London School Memorial Committee composed of Mrs. M. A. Taylor of Bonham, President of the Texas Congress of Parents and Teachers; Drury M. Phillips of Huntsville, Commander of the American Legion of Texas; George Clark of Austin, to represent the Governor; Mrs. Fay Beidleman, President, New London Parent-Teacher Association; and Mrs. H. R. Whittington, President, Rusk County Council of Parent-Teacher Associations.

Contributions may be mailed directly to the New London Memorial Committee in care of the Governor's Office in Austin. The Committee appointed by the Governor will handle funds received for this memorial.

Mr. Phillips has already asked commanders of legion posts throughout the state to begin their activities immediately.

"Hundreds of letters and telegrams have been sent to me," the Governor said, "asking information as to where contributions might be made for the purpose of erecting a suitable memorial to the memory of the school children and their teachers. I have determined upon this state committee as the proper central organization for the handling of these funds. I appreciate deeply the proffered services of the State Parent-Teacher Associations and the American Legion in this connection."

"I think it only proper that the voluntary contributions from the citizens of a stricken state and nation be accepted for this purpose. The horrible catastrophe touched not only the families and immediate friends of the victims, but has reached out and shocked every home in America. Everyone has felt a sense of personal grief and has mourned with the bereaved parents."

"The State Memorial Committee will not conduct a drive for funds but will have an organization set up in every town through the Parent-Teacher Councils and the American Legion posts. These organizations will be available to those who wish to contribute any donation, small or large, as their expression of sympathy."

"The memorial will serve a two-fold purpose as a tribute to the passing of these boys and girls in the full flush of inspirational youth and as a perpetual resolve that no such disaster shall ever again be visited upon any community in Texas."

#### SEED OATS

I still have plenty good seed oats free of grass seed, for sale, at my place six miles west of Hamlin.

### COLLEGE STUDENTS HOME FOR EASTER HOLIDAYS

Easter means a short vacation and a pleasant visit home to many young men and women who are attending colleges.

Richard Feagan came in Thursday from Dallas, where he is a student in S. M. U.

Those reported returning to Hamlin for this vacation are Misses Mary Beth Moody and Ann Ferguson, who arrived Thursday evening from Lubbock where they are freshmen in Texas Tech.

From Waco will come Miss Geneva Albritton, J. C. Turner, Marvin York, H. O. Cassle Jr., Ray Wilkington Jr., and W. L. Boyd, students of Baylor University.

Misses Laura Q. Martin, Zelma Wilson, Elmo Joy Wilson and Clydene Wilson will be home from Denton, where they are students in the Teachers College. There will be other pupils home for vacation, who have not been reported to the Herald.

### NOTICE TO TRACTOR FARMERS

We are now handling a tractor fuel as well as all other guaranteed products made by Moutray Oil and Refining Co. All home products and handled by home concern. See W. T. WALKER, AGENT, Hamlin, Texas.

### PRIMARY PUPILS GIVING OPERETTA

"SPRING IS COMING"

Pupils of the first, second and third grades, under the direction of the teacher of these grades, will be presented in a colorful and tuneful operetta to tell you that spring is coming.

## PLASTERCO NEWS

Mr. and Mrs. J. E. Hines spent Sunday with Mr. and Mrs. L. E. Hines.

Mr. and Mrs. J. W. Riddle and children went to Jayton, Texas, to celebrate the birthday dinner of Mr. S. W. Ellerbe, father of Mrs. Riddle, who was seventy-two years of age, March 24th.

Mr. and Mrs. Joe Hull, Mrs. Hull and daughter, Gertrude, spent Saturday evening and night, at the home of Mrs. L. E. Hines.

Mrs. Clifford Carr, who fell and broke her arm, while visiting in Oklahoma this past fall, spent Saturday at the Hamlin Hospital, having her arm treated by Dr. Turner Bynum.

Several cars from Plasterco went to Boyd Chapel Sunday to attend the singing given at the Baptist Church. Some fine singing, believe me.

At this writing, Mr. O. L. Wallace is quite ill with the "flu." We hope he will soon be able to return to work.

## A Spacious Auditorium-A Real Center

Hamlin's High School Building Would Grace Any City

The Parent-Teacher Conference could not ask for a more comfortable and spacious place in which to meet than the Hamlin High School auditorium.

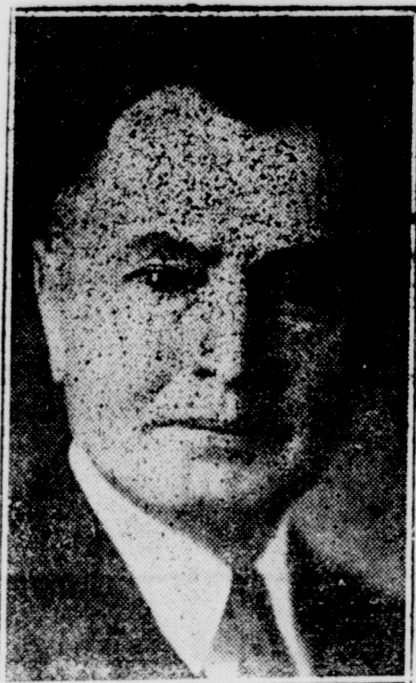

This school building, as all such structures should be, is the pride of the community. It is thoroughly modern, and only a few years old. It was constructed in 1929 at a cost of \$125,000.00. It has been carefully cared for and today looks about as new as the first day it was used.

This building is built in three units, so that regular school work can be carried on while the auditorium may be in use for some meeting not especially on educational subjects. The extreme end opposite to the auditorium is gymnasium and is constructed in such a way that not even the loudest yells of "raging youth" can be heard in other parts of the building. Such a structure is a credit to any city or community.

One of the important characters to whom much credit should be given for the building, the operation and the care and protection of this building, is our Superintendent, Mr. C. G. Green.

The Herald would pay our superintendent this compliment: He has been very diligent, very conservative, and tireless in managing and

looking after the school interests of this community. He is quiet, unassuming, careful, firm and thorough. For thirteen years he has planned and built. He has the admiration and confidence of the greater number

C. G. GREEN  
Superintendent of Schools

ber of citizens of this section of the country. Mr. Green's interests do not stop with the school. He is a man who realizes that all parts of the civic, commercial, moral, and religious factors of the community

must go hand in hand. This being his ideal, he has been found right in the middle of every enterprise that has meant something worthwhile for the people he is serving.

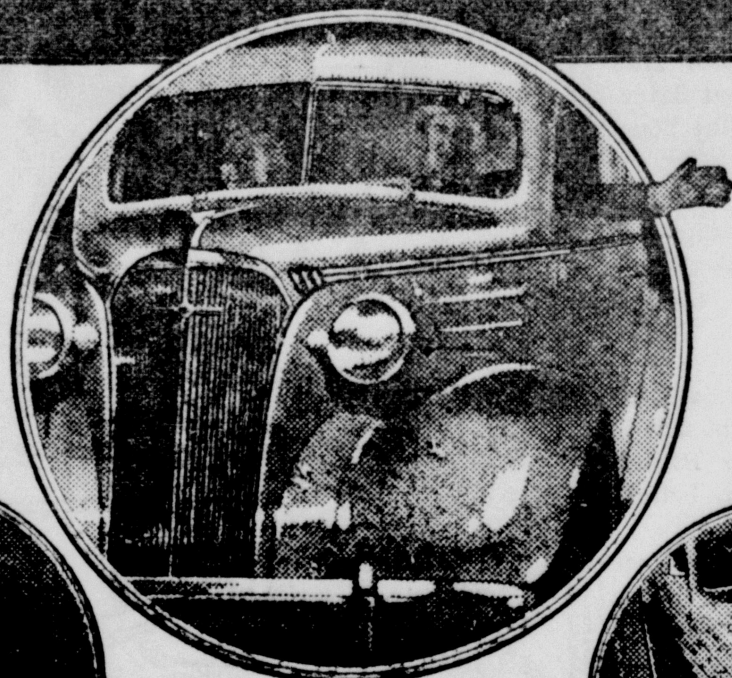

Recently the school board renewed its confidence in Mr. Green by extending his contract to remain with Hamlin another term. So this means that he will start his 14th year here next September.

Mr. Green realizes the value of the Parent-Teacher Association in the progress of the public schools. He was very anxious for the 14th District Conference to meet here this year and was the prime factor in extending Hamlin's invitation at the meeting last year in Spur. The conference will find no better host than Supt. Green. Every detail that would help make visitors enjoy their stay here has been well looked after by Mr. Green.

Mr. and Mrs. C. L. Patterson of El Paso, came over last week to visit their parents, Mr. and Mrs. J. L. Beavers and sister, Mrs. Jessie Waggoner. Mr. Patterson returned after a short visit but Mrs. Patterson will spend a month here.

Jones County farmers raised 36,644 bales of cotton in 1936. This is far below the crop of 1935—then it was 61,782 bales.

## PUBLIC INTEREST DEMANDS FAIR PLAY!

Texas now has good state laws for the regulation—in the public interest—of all transportation. These laws are helping to stabilize transportation, and all business and industry that has to use transportation. These laws are helping to reduce the terrible accident toll on your highways. They are helping to conserve your investment in your highways.

Regulation of transportation in the United States has been developed over a period of fifty years. Reasonable regulation is admitted to be both advisable and necessary in the public interest.

Strict regulation of one form of transportation and the lessening of regulation of any other form is unfair and un-American, and can only result in crippling that part of your transportation facilities which is handicapped—

without any resulting benefit to the people of Texas.

Texas railroads obey the rules of the game,—those imposed by the agencies of government and those taken on voluntarily in the interest of public safety.

Texas railroads are spending this year, large sums of money for new and modern equipment—locomotives, freight and passenger cars, improved rail and roadbed facilities, and are expediting freight and passenger schedules to meet growing public demands. All of this is being done in the interest of improved service to the public and at the lowest rates in twenty years.

All the railroads of Texas are asking—have ever asked—is a FAIR DEAL in a fair field.

## PLANNING FOR A BETTER COMMUNITY

Under the leadership of its new President, J. Starr Inzer, Hamlin Chamber of Commerce is forging ahead for 1937. The active board of directors is looking forward to one of the most successful years in the history of Hamlin and its trade territory.

New and valuable projects are looming ahead for the building of a better city and its community. The expansion of trade is one of the major projects the Chamber of Commerce is outlining this year, for the development of our very own products. Starr Inzer, the fighting president, says the co-operation of the entire city is needed and wanted, and to that end your aid is solicited.

The Chamber of Commerce fulfilled most of its projects last year as outlined to the business men. Therefore with a successful year behind us we have adopted a larger budget this year. The membership committee will begin this year's drive Monday morning, March 29. The goal is to get as many new members as possible in order to have a wide awake city.

The minimum dues for a voting member of the Chamber of Commerce is \$1.00 per month, or \$12.00 per year. This membership will give a privilege of voting in every project which is to the interest of the community. Every business benefits from every worthwhile enterprise which a city undertakes. Don't wait to be asked to become a member. Join willingly in the business development parade of 1937 and be a part of a growing city.

—PUBLICITY COMMITTEE.

M. F. Wilson, of El Paso, was here for a short time Tuesday to visit his parents, Mr. and Mrs. O. K. Wilson and other relatives.

## HAMLIN P-T. A. OFFICERS

MRS. MAC BRUNDAGE  
President Hamlin P-T. A.

MRS. MARY FARROW  
V.-Pres. Hamlin P-T. A.

MRS. TATE MAY  
Treas. Hamlin P-T. A.

MRS. BOB JACK LOW  
Secretary Hamlin P-T. A.

### A SHORT SKETCH OF HAMLIN P-T. A.

The Hamlin Parent-Teacher Association was organized March 7, 1929. Up to this time the connection between the home and school was known as the Primary League. The new organization had as its first officers, Mrs. F. B. Moore, President; Mrs. O. H. Berry, Vice President; Mrs. Burns Eakin, 2nd Vice Presi-

dent; Mrs. J. E. Moody, Treasurer; Mrs. George Harrell, Secretary and Mrs. Roy Williams, reporter. Mrs. Harrell resigned at the second meeting and Miss Ruby White was elected in her place. All these officers served two years.

Mrs. King Hopkins was the next president and served one year and moved out of town. It was under Mrs. Hopkins direction that over 300 Hamlin children received dip-

theria, typhoid and small pox serum.

Mrs. W. T. Cherry was the third president. She served two years. Mrs. Dewitt Knox was elected the 4th president, but she moved out of town and Mrs. B. W. Nobles was elected in her place and served two years. Mrs. B. M. Brundage, the present president, has served one year.

During these eight years the Parent-Teacher Association has grown

in numbers and has at all times walked side by side with the school, seeking to do the thing which would be of most benefit to the children. The entertaining of the Ninth Annual Conference is a most worthy climax to these eight years of service. It is hoped that Hamlin citizens will gain from this conference the inspiration necessary to help parents and teachers more intelligently to serve Hamlin children.

### PAST PRESIDENT

MRS. JAMES B. DAY  
of Rotan,  
State Chairman of Rural Service

and District Chairman of Life Membership. Mrs. Day was the Second President of the 14th District.

Mrs. Day has rendered efficient service in the affairs of the Parent-Teacher Association of Texas.

MRS. E. F. LAVERTY,  
of Spur, Texas,  
DIST. CORRESPONDING SEC'Y

One of the chief personalities of the official staff is the Corresponding Secretary. Mrs. Laverty has proven her value in keeping the spirit of progress thriving in the 14th District. The Corresponding Secretary gives liberally of her time and energy to the P-T. A. work.

Mr. and Mrs. H. D. Norris and little daughter, Janie, visited Mrs. W. A. Norris and Mr. and Mrs. O. L. Jenkins and family Sunday. Mr. Norris is superintendent of the Diviside School.

Mr. and Mrs. Ray Fry and daughter, Miss Ray Laverne, of Throckmorton, spent the week-end here with Mr. and Mrs. Loy Fry.

## WAGGONER HOME IS MODERNIZED

One of the most pronounced examples of "modernization" of buildings in Hamlin recently is the home of Mr. and Mrs. J. J. Waggoner, on Jackson Avenue, corner of 5th Street.

This home is one of the pioneer residence of Hamlin and has been noted for its variety of trees, shrubbery and flowers.

Just last week the final touches of modernization were completed. It now presents an ultra modern picture to the passer by. First, workmen tore away the extensive gallery that circled the Avenue side, and then a substantial foundation of rock, cement and iron was laid under the whole house, and upon this a veneering of natural cobble stone was erected to the top of the eaves and the gables, and the elimination of the usual gallery. Three terraces front each of the outer entrances, enclosed with stone balustrades. Then there are a lot of new walks and flower beds in the yard to harmonize with the new walls. There are new windows, and terrace lighting, and to top the building properly a new modern roof was constructed, and this with the new coating of paint and other new feature, Mr. and Mrs. Waggoner have one of the attractive places of Hamlin.

We might also add that their garage, facing 5th street, has been given a rock veneering and other modernizations for it to harmonize with the home.

This improvement not only adds to the appearance of the streets and the entire town but it means so much in comfort, both in winter and summer.

### OTHER HOMES ROCK VENEERED

The Herald is not overlooking a number of farm homes that have been rebuilt and modernized recently to equal any city home. We shall get to them in time and give our readers a word (maybe an actual) picture of them in the near future. A good comfortable house is one of the most desirable things in West Texas and anyone getting such is to be congratulated.

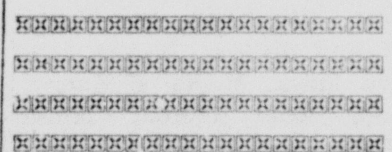

C. C. Renfro, who has been confined to his home four miles east of Hamlin for several weeks because of a bad case of erysipelas in one of his feet, is again able to come to town and walk about some.

Miss Anna Mae Hudson, instructor in Home Economics in the Hamlin School, visited her parents in Denton Saturday and Sunday.

## STATE AND DIST. PARLIAMENTARIAN

MRS. H. F. GODEKE, of Lubbock, is another of the prominent women of Texas to bring her enthusiasm and inspiration to the Hamlin Conference. A parliamentarian is a most important officer in a woman's convention, because women follow parliamentary law.

Singing your own praises makes poor music for the other fellow.

## Health-Wrecking Functional PAINS

Severe functional pains of menstruation, cramping spells and jangled nerves soon rob a woman of her natural, youthful freshness. PAIN lines in a woman's face too often grow into AGE lines!

Thousands of women have found it helpful to take Cardul. They say it seemed to ease their pains and they noticed an increase in their appetites and finally a strengthened resistance to the discomfort of monthly periods.

Try Cardul. Of course if it doesn't help you, see your doctor.

### CARD OF THANKS

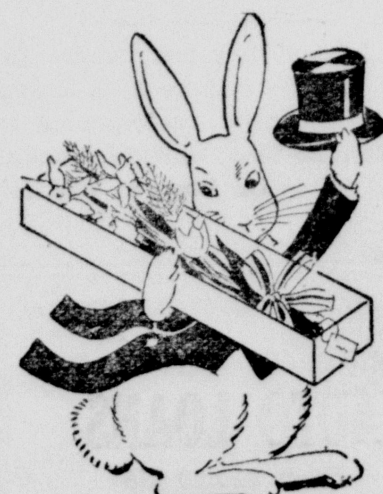

Words can not express our many thanks to our friends and neighbors who worked so hard with us through the illness of our son, Frankie Hall, who has been very sick with double pneumonia, but is now improving nicely.

We also wish to thank Dr. Magee and the kind and tender hearted nurse, Mrs. Gladys Keen of Neinda, who worked so hard, both night and day, while the death angel was so near. For it was the great care that pulled him through.

And we do especially want to thank Mr. and Mrs. Curtis Martin, who made all this help available, for they spared nothing that money could get. May God's richest blessing be with them all forever more.

MRS. FRANK HALL and son, Billie Franklin, MR. and MRS. W. H. HALL and son, J. D. Hall.

## LETTERS FROM OUR READERS

March 22, 1937.

Mr. Bowen Pope,  
Dear Sir:

You will find enclosed my check for one dollar for which please keep sending me your paper and oblige. Yours respectfully,

L. E. LITTLETON,  
Rt. 2, Eastland, Texas.  
P. S. Tell everybody hello for me,

March 22, 1937.

Mr. Bowen Pope,  
Hamlin, Texas.  
Dear Sir:

Today I am sending one dollar for paper for this year.

Should have attended to this before this time. I have just returned from Kansas City, Mo. Having been called there on account of my mother's illness and death. She passed away March first. She has friends in Hamlin, as she visited us in our home a number of times. My mother was Mrs. R. Sutherland.

Thanking you for your kindness in sending the paper on after my time was out. I am

Very truly yours,  
MRS. LEM MILLER,

## FLAT TOP SCHOOL MAKES HIGH SCORE

The Bethel School, which is popularly known as Flat Top, won three of the cups offered as prizes to schools participating in the Stone-wall Interscholastic League Meet.

One of the cups went to the winner of the greatest number of points in literary events; one went to winner of Junior track and field events; and one for all-around championship of rural schools, counting points earned in both literary and athletic fields.

Those winning points toward the literary cup were: Jack Sauls, Senior Declamation, 1st place; Louise Jenkins, Senior Declamation, 1st place; Neva Dell Neill, Senior Declamation, 2nd place; Jackie Barton, Junior Declamation, 1st place; Christine Jenkins, Junior Declamation, 2nd place; Douglas Jenkins Jr., Junior Declamation, 3rd place; T. B. Bruner and Mable Hill, spelling team, 1st place; Donald Devenport and Glen Richardson, spelling team, 1st place; Verlie Jo Bruner and Eula Fudge, spelling team, 3rd place.

Those helping to win the Junior track and field cup were: Roland Kennedy, 1st place in 50 yard dash, 100 yard dash, high jump, and broad jump; Douglas Jenkins, winning 2nd place in 50 yard dash, 3rd place in 100 yard dash, 3rd place in the broad jump and 3rd in high jump; Melvin Butler, winning 3rd place in the 50 yard dash, 2nd in the 100 yard dash, and 2nd in the high jump. Kennedy, Jenkins, Butler and Hill composed the winning 440 relay team.

The All-Around Championship Cup came easily because of the high placing of so many of the contestants in both literary, track and field events.—REPORTER.

Members present were Mmes. D. J. Payne, J. C. Culbertson, Jess Cory, W. J. Poe and Misses Allie and Pearl Whiteley.

### MRS. JOHNSON ENTERTAINED MERRY MATRONS

Mrs. W. F. Johnson entertained the Merry Matrons Club in her home Wednesday afternoon with two tables of contract in play. High scores were made by Mrs. Burns Eakin and Mrs. C. L. Patterson.

Following the games a salad plate with hot biscuits, cookies and coffee was served to Mmes. R. H. McCurdy, C. C. Prater, B. L. Jones, Tom Williams, John Ed Day, Burne Eakin, R. E. Johnson and Mrs. C. L. Patterson of El Paso.

### NEEDLE AND THIMBLE CLUB ENTERTAINED

Mrs. H. E. Brown entertained the Needle and Thimble Club in her home Wednesday afternoon. Immediately after the guests arrived they set to work on their sewing. A

refreshment plate containing congealed salad, Ritz crackers, olives and hot chocolate was served.

Members present were Mmes. Carl Phenix, Ed Rogers, A. H. Humphreys, Roy Brown, Cecil Brown, Homer Neal, Etzel McCoy, and we were happy to have as visitors, Misses Maxine Appling, Bertha Appling and Lois Harris. — REPORTER.

### METHODIST CHURCH

H. W. HANKS, Pastor.

We are to begin our meeting next Sunday morning, March 28 and run throughout the following week with services at night only. We will close Sunday night, April the fourth. The pastor will do the preaching and the music will be conducted by local talent. We want everyone who can to come and help us in each service. The singing will feature in each service. We are anxious for all Christians of all denominations to attend and take part in our services.

Of course we are expecting each member of our own church to be in his or her place. Each of you can help someone. If you fail them now you may be sorry.

The one and only purpose of the meeting is to build up the spiritual life of the community. None of us are as good as we should be. Many of us have friends and loved ones who are unsaved. Pray for these; urge them to attend the services.

The time is short. So each one will have to put his shoulder to the wheel and work or the meeting will not accomplish what we want it to.

The theme of each sermon is as follows: Sunday morning, "The Empty Tomb;" night, "The Indifferent." Monday night, "Christ Before Pilate." Tuesday night, "The

Wondrous Cross." Wednesday night will be a special service for the members of the Masonic and Eastern Star Lodges. Thursday night will be High School night. The subject will be, "God's Bid for a Man." Friday night, "The Cross and the Throne." Saturday night, "He Went a Little Farther." Sunday morning, "A Man of Sorrow." Closing out Sunday night with "The Old Rugged Cross."

Again let me urge each one to shoulder your own responsibility. The success of a meeting does not depend upon the length of its duration. But in the concentrated effort put forth.

Talk the meeting, work for the meeting, pray for the meeting, attend all its services.

Sincerely  
H. W. HANKS, Pastor.

Mr. and Mrs. Joe Simpson and little daughter, Faith, spent Saturday night and Sunday with Mrs. Simpson's parents, Mr. and Mrs. Lott Shell of Georgetown, and also visited relatives in Bryan.

### NAZARENE CHURCH

W. F. RUTHERFORD, Pastor

The seasons have brought us once more to the greatest of all the Christian festivities, Easter. It is called the Day of Immortal Life. To the Christian it is a day of triumph, a season of holy joy.

Special services are being arranged for this glorious occasion, and all departments will present some feature of the triumphs of the Risen Christ.

Sunday School, 9:45 A. M., Roy McCoy, Supt.

Morning Worship, 11:00 A. M. Sermon by the pastor. Subject, "The Glory of Easter."

N. Y. P. S. 6:45 P. M.

Evening Worship sermon subject: "Christ Weeping Over Jerusalem." Special music is being arranged for these services. A cordial invitation is extended the public to attend these services. A church with a homelike spirit.

W. F. Rutherford, Pastor.

### REPRESENTATIVE DEAN

AT HOME FOR EASTER

The 45th Session of the Texas Legislature has passed its half-way mark with quite a number of bills already passed. Some of these bills seem to be wise legislation, others are questionable as to their merits for the benefit of Texas in general.

The Legislature has been working day and night since the second week of the Session, and most of the members are to be complimented for their willingness and energy with which they attempt the problems that arise before them.

I will be at home during the Easter holidays, and I should be glad to call upon anyone who might be interested in pending legislation at this time.

TRAVIS B. DEAN,  
Rep. 115th Dist.

## Roy Allen Wilson

which for the driver coming south would be on the right side and for one going north like the young man was, on his left. This curve sign was the first and only thing indicating where Roy's car left the road. It was sheared off and carried straight ahead angling across the bar ditch and into the pasture perhaps 45 yards. Signs showed that the car kept a straight line, and hardly a mark to show that it ever touched the ground till it went over the sloping bar ditch bank. This bank is perhaps 5 or 6 feet high. Indications are that the car just tumbled and rolled, and bounced down through the cedar brush digging holes in the earth, till it stopped 106 yards from the place where it picked off the curve sign. Just what caused the boy to get on the left side of the road, clip off the sign post and not be able to keep down the bar ditch, and finally bring his car to a stop, may never be known. It was plain that the momentum of the car carried it straight ahead over the ditch, across the fence, through and over the cedars a distance of 320 feet.

Statements of G. W. Hilterbrand, who lives perhaps three-fourth of a mile from the place the boy left the road, says that they heard the roar of the car before the crash. Also a Mexican family, Torres in the same community reports they were attracted by the loud exhaust of the car and then the crash.

The Mexican and his wife were the first to the boy. They found him some distance in the pasture, clear of the car. A passing car, which we learn was driven by Bill Hudson, was stopped with some difficulty, by the Mexican and the young man was placed in the car and rushed to the Hamlin hospital. By the time Mr. Hilterbrand had reached the scene they had started the unconscious boy toward Hamlin.

At the Hospital they found Roy Allen badly lacerated on the throat a gash over one eye, gashes and bruises on the head, one arm broken, and he had lost a great quantity of blood. It was found that he was strangling from blood, and could live but a short time. Death came without ever regaining consciousness.

Roy Allen Wilson was born in Hamlin August 29, 1921, and was 15 years, 6 months and 19 days of age.

## HAMLIN HATCHERY

HAMLIN, TEXAS  
TEXAS' LARGEST HATCHERY

He had always been a quiet and manly boy, and had made friends of all who knew him. He was the only child. His mother passed away nearly three years ago. He was considered a good student, and had many possibilities to make a useful man. His passing is not only a terrible shock to the father and grandparents, but every member of his class and all teachers feel the loss.

Roy Allen was a member of the Baptist Church where he had attended since infancy.

Funeral services were not held till Saturday afternoon at 5 o'clock, to enable relatives to arrive. Mrs. Maggie Witt of Missouri, an aunt, and T. C. Arnett of College Station, an uncle, Mrs. S. E. Riddle of San Angelo, another aunt, was unable to come, because of illness, but Mr. Riddle was present. Other relatives were Mr. and Mrs. Cobb of Merkel, and others, from a distance came for the funeral.

The services were in charge of the pastor, Rev. Henry Littleton, W. H. Hanks, of the Methodist Church, and Minister Woodie Holden, of the Church of Christ.

A section of the auditorium was reserved for the Junior Class and the teachers of the school.

Pall bearers were class mates, Cal Smith Junior, Charles Prater, Bill Norris, Vernon Gabriel, E. J. Whaley, Milton Sanford and Loren Griffin.

The floral offerings were carried by the Class sponsor, Miss Doris Pope, and classmates, Misses Fay Le-

verne Howard, Mary Dell Park, Juanita Harbert, Lois Ellen Stell Virginia Sue Flowers, Mary Emily Eakin, and Phyllis Milsap.

Interment was in charge of Maples Funeral Home and the body was placed to rest in East Cemetery by the side of the mother.

LIONS COMING  
HERE IN JUNE

As a result of the cordial invitation of Lions, Arlie Cassle and Henry Albritton, who attended the District T Conference at Midland last Friday this city will get to entertain the Conference in June.

There are six clubs in the district. Mr. Cassle was the presiding officer at the Midland meeting.

These two young Lions were accompanied by Mrs. Albritton and Miss Pat Albritton, who perhaps deserve credit for these fellows getting back O. K. to Hamlin. Henry drove—going and coming—not risking the other fellow a little bit.

Miss Eunice Jean of Abilene, came over to spend the past week-end with her parents, Mr. and Mrs. T. A. Jean of the Hitson community. Miss Jean has completed a course in the Commercial College and has a position in Abilene as bookkeeper for the Economy Appliance Co.

FISHER CO. WOMEN  
IMPROVE YARDS

Mr. and Mrs. Carl Hamilton, Yard Demonstrators of the Longworth H. D. Club, are making many changes in the yard. "The first thing we did to the yard was to remove rocks, tin cans, shrubs and flower beds off the lawn," they told Miss Jewel Hipp, Asst. H. D. Agent, Fisher County, then the yard was dug 12 inches deep, working cotton burrs thoroughly into the soil for fertilizer because they hold moisture better than barn yard manure and not so much danger of grass burning during hot weather in the summer. Rows were laid off six inches apart and 3 inches deep. Bermuda and Buffalo grass sprouts were set 3 inches apart, dirt was pressed firmly around roots and then watered well.

Four yellow jasmynes were removed from the yard were set around the foundation of the house. Roses were moved off the lawn and set in a bed on the north east side of the house.

"My cutting bed is 8x12 feet," said Mrs. M. L. Schick, yard demonstrator of Cross Roads H. D. club. "The soil was prepared by digging it 12 inches deep and levelling with hoe and rake until the soil was finely pulverized. Rows were laid off six inches apart and 2 inches deep. Holes were punched in the rows where each cutting was to be placed, with a stick about the size of the cutting. Material used for cuttings were Crepe Myrtle, wisteria, salt cedar, rose; evergreen plants of Armur Rivera Privet. In making the cuttings, 5 buds were counted and cut slanting for the part that is left above the ground, these were placed in the ground leaving two buds above the surface. The dirt was firmly pressed down around the cutting and then watered. The cutting bed at Mrs. Schick's is protected from sun and wind by old carpets torn in strips drawn around 4 posts to form a fence, and one used to put over the top in extremely hot weather. The cuttings are left in the cutting bed until next fall after the first big freeze.
